

How can I update my Salt.tv app?

1. Select the Salt.tv app, then press and hold the touchscreen of your remote control, until the app button starts wobbling.

2. Press the Play/Pause button . A menu will display where you can delete the app.

3. Confirm that you want to delete the app.

4. Download the Salt.tv app again from the App Store. The number of the new version (2.1946.1) will be visible in the Settings of the Salt.tv app.
